

WORKDAY PURCHASE ORDER TERMS AND CONDITIONS – FINLAND

These Workday Purchase Order Terms and Conditions (“**Terms**”) apply to the provision of products and services by Supplier, defined below, to Workday.

By entering into a Purchase Order, Supplier acknowledges and agrees (a) that Supplier has read all of the terms and conditions of these Terms, and (b) to be legally bound by all of the terms and conditions set forth in these Terms.

Each Purchase Order together with these Terms constitute the “**Agreement**”.

1. DEFINITIONS

1.1 “**Affiliate**” means, with regard to a given party, any company or legally recognizable entity that directly or indirectly (a) controls that party, (b) is controlled by that party, or (c) is under common control with that party, where control is defined as possession of the power to direct or cause the direction of the management and policies of a legally recognizable entity, through direct or indirect majority ownership or minimum percentage ownership that would grant the party a controlling interest in such entity. An entity will be deemed an Affiliate only so long as such control exists.

1.2 “**Applicable Law**” means all constitutions, laws, statutes, codes, ordinances, orders, judgments, decrees, injunctions, rules, regulations, permits and legally binding requirements of all federal, country, international, state and local governmental authorities applicable to either party’s performance under the Agreement.

1.3 “**Data Protection Legislation**” means all applicable data protection legislation, regulations and codes of conduct being in force and which are applicable to either party and the provision of or receipt of any of the Products;

1.4 “**Intellectual Property Rights**” means any and all patent rights, copyrights, moral rights, trademark rights, trade secret rights and any other form of intellectual property or proprietary rights recognized in any jurisdiction, including applications and registrations for any of the foregoing.

1.5 “**Product**” means any one or more product, service or other item, including but not limited to tangible items, software, designs or other technology, to be provided by Supplier to Workday as expressly set forth in a Purchase Order.

1.6 “**Purchase Order**” means a written authorization issued by Workday to authorize Supplier to provide one or more Products.

1.7 “**Supplier**” means the supplier identified in a Purchase Order and all of its Affiliates.

1.8 “**Workday**” means Workday Finland Oy.

1.9 “**Workday Entity**” means Workday and all of its Affiliates.

2. ORDERS

All purchases from Supplier are made pursuant to Purchase Orders. Workday, and not any other Workday Entity, will be solely responsible for its obligations under a Purchase Order, including, but not limited to, payment obligations.

At any time after issuing a Purchase Order, but before shipment of the applicable Product or, if such Product is a service, prior to provision of such applicable service, Workday may cancel, add to, reschedule, or otherwise change, in whole or in part, any Purchase Order without liability by written notice to Supplier, provided that increases in quantity or changes to the type of Products, must (a) be in writing, (b) include any agreed upon price, fees, rate or schedule changes, and (c) be signed by an authorized representative of both parties.

3. PACKAGING AND DELIVERY

Supplier must, as applicable, package all Products in suitable packing materials and in accordance with (a) Workday's instructions, if any, (b) applicable Product specifications, and (c) general industry standards to ensure resistance to damage and to permit safe transportation and handling. Each delivered package must be properly labeled and marked to identify contents without opening and must contain packing sheets listing the contents. The applicable Purchase Order number must appear on all shipping documents, packing sheets, delivery tickets, and bills of lading or airway bills.

Unless otherwise set forth in the Purchase Order, all Products will be shipped DDP (Incoterms 2010) to Workday's designated delivery address set forth in the Purchase Order on or before the agreed delivery date set forth in the Purchase Order (the "**Delivery Date**").

Supplier acknowledges and agrees that time is of the essence for each Purchase Order. Supplier will promptly notify Workday if Supplier is unable to comply with any of the applicable Delivery Date(s).

If all Products ordered under a Purchase Order are not delivered by the applicable Delivery Date, Workday may, in its sole discretion, cancel the Purchase Order, in which case Supplier must immediately refund to Workday all amounts previously paid to Supplier for the Products subject to such Purchase Order within 30 days of receipt of notification from Workday of such cancellation.

Quantities of Product shipped in excess of the Purchase Order will be held at Supplier's risk and expense for a reasonable period of time while waiting return shipping instructions. Shipping charges, including insurance, for any returns will be at Supplier's expense.

4. ACCEPTANCE

Upon Workday's receipt of a Product, or if Supplier provides implementation, installation or other services for a Product, upon the completion of such services, as solely determined by Workday, Workday will review and otherwise evaluate such Product, and provide Supplier with written notice of acceptance of such Product ("**Acceptance**") or a statement of rejection. If Workday provides Supplier with a statement of rejection, Workday will have the option, without limiting any other rights or remedies Workday may have, to grant Supplier time to correct any deficiencies with the Products, or cancel the applicable Purchase Order, in whole or in part, and pursue all available remedies. Failure to provide Products in accordance with the applicable Purchase Order will be deemed a material breach of the Agreement.

In no event will Workday's use or payment for a Product constitute Acceptance of such Products.

5. FINANCIAL TERMS

5.1 Prices. The price for a Product may not be higher than those shown on the Purchase Order, unless such increased price has been expressly authorized by Workday in writing. If Supplier decreases the price of any Product, then Supplier will promptly provide written notice of such lower price to Workday, and the price of any unshipped Product will be adjusted to the lower price. If the Purchase Order does not include pricing, the price for the Product will be Supplier's lowest prevailing market price for such Product. Supplier is not entitled to reimbursement of expenses incurred in connection with fulfilling an applicable Purchase Order, except as otherwise agreed in writing by Workday.

5.2 Invoicing. Upon Acceptance of the Product, Supplier will invoice Workday for the amounts set forth in the applicable Purchase Order. Amounts not invoiced within 90 days following Acceptance of the Products will be deemed waived by Supplier.

5.3 Payment Terms. Provided that Supplier is not in material breach of the Agreement, Workday, after Acceptance of the Product, will pay the undisputed invoiced amount within 45 days of Workday's receipt of a properly submitted invoice, unless other payment terms are noted on the Purchase Order. A properly submitted invoice (a) contains Workday's Purchase Order number, (b) contains an itemized description of the Products purchased and the name of each country in which each Product was delivered, (c) contains separate line items for any taxes or shipping charges as may be applicable itemized by country, and (d) is in English and in .PDF format addressed to the email account set forth in the Purchase Order.

5.4 Taxes. Supplier is responsible for and will pay all applicable taxes, charges, fees, levies, or other assessments imposed or collected by any governmental entity (or political subdivision thereof) worldwide on sales of Products, or sales, use, transfer, goods, and services or value added tax or any other duties or fees related to any payment by Workday to Supplier for Product provided to Workday under or pursuant to the Purchase Order. If Workday provides a direct pay certificate, certification of an exemption from tax or entitlement to a reduced rate of tax imposed by an applicable taxing authority, or any other proof of compliance with requisites under Applicable Law for entitlement to tax exemption or a reduced tax rate, then Supplier agrees not to invoice, nor pay, any such tax unless and until the applicable taxing authority assesses such tax, at which time Supplier will invoice and Workday agrees to pay any such tax that is legally owed. Workday will withhold taxes as required under Applicable Law on payments made to Supplier hereunder and will be required to remit to Supplier only the net proceeds thereof.

The foregoing remedies are in addition to, and not in lieu of, any other remedies that Workday may have in law or in equity.

7. CONFIDENTIALITY AND DATA SECURITY

"Confidential Information" means all information disclosed whether in oral, written, or other tangible or intangible form by Workday to Supplier, or otherwise acquired by Supplier, concerning or related to the Agreement or Workday whether before, on or after the date of the applicable Purchase Order which Supplier knows or should know, given the facts and circumstances surrounding the disclosure or acquisition of the information by Supplier, is confidential information of Workday. Confidential Information includes, but is not limited to, the existence and terms of the Agreement. Confidential Information does not include information that is in or enters the public domain without breach of the Agreement through no fault of Supplier, or that Supplier receives from a third party without restriction on disclosure and without breach of a nondisclosure obligation.

Supplier will hold all Confidential Information in strict confidence and will not disclose any Confidential Information to any third party. Supplier will not use any Confidential Information for the benefit of itself or any third party or for any purpose other than for the sole and exclusive benefit of Workday. Supplier will not reproduce Confidential Information in any form except as required to accomplish Supplier's obligations pursuant to a Purchase Order. Supplier will use the same degree of care in protecting the Confidential Information as Supplier uses to protect Supplier's own confidential information from unauthorized use or disclosure, but in no event less than a reasonable degree of care. Supplier will immediately give notice to Workday of any unauthorized use or disclosure of the Confidential Information. Supplier will assist Workday in remedying any such unauthorized use or disclosure of the Confidential Information. Supplier acknowledges that each obligation in the Agreement is necessary and reasonable in order to protect the Confidential Information, and that monetary damages would be inadequate to compensate Workday for any breach of the Agreement. Accordingly, Supplier acknowledges and agrees as follows: (a) any such violation or threatened violation will cause irreparable injury to Workday; and (b) in addition to any other remedies that may be available to Workday at law, in equity or otherwise, Workday will be entitled to obtain injunctive relief against any threatened breach of the Agreement or the continuation of any such breach, without the necessity of proving actual damages and without the necessity of posting a bond or other security.

In connection with the provision of any of the Product(s), Supplier will comply with the Data Protection Legislation.

Supplier's obligations with respect to Confidential Information will continue for the 5-year period commencing upon the date of the applicable Purchase Order; provided, however, that such duties and obligations with respect to Confidential Information that constitutes a trade secret under Applicable Law will continue so long as such Confidential Information remains a trade secret under Applicable Law.

Supplier will notify Workday of any actual or suspected unauthorized disclosure or use of Workday's Confidential Information, including personal data, without undue delay ("**Security Breach**"), and, where feasible, within 48 hours of knowledge of such breach. Supplier will reasonably assist Workday in remediating and mitigating any potential damage, including sending any notification that Workday determines needs to be sent to any impacted individuals, and providing credit reporting services to such individuals. Supplier will bear all costs related to such remediation or mitigation to the extent the breach or security incident was caused by Supplier. Supplier will describe (a) the date of the Security Breach, (b) the disclosures involved in the Security Breach, and (c) the steps Supplier has taken to investigate the Security Breach and mitigate potential harm.

In addition to and not in lieu of Supplier's above obligations, should a Product become, or in either party's reasonable opinion be likely to become, the subject of a Claim, Supplier must (a) procure for Workday the right to continue to exercise all of its rights in the Product, or (b) with Workday's prior written consent, modify or replace the Product to eliminate any Claim, provided that the modification or replacement is functionally equivalent; provided, however, that if Supplier cannot do either of the foregoing, including if Workday does not consent pursuant to subsection (b), then Supplier may request that Workday cease using the Product. In the event that Supplier requests that Workday cease using the Product, Supplier must refund to Workday all fees paid by Workday for such Product and, upon Workday's receipt of such refund, Workday will cease using such Product.

Workday will have the right to approve any counsel retained to defend against any Claim in which Workday is named a defendant. Workday will have the right to control and participate in the defense of any Claim concerning matters that relate to Workday, and Supplier will not settle or compromise any such Claim without Workday's written consent. If, in Workday's reasonable judgment, a conflict exists between the interests of Workday and Supplier in such a Claim, Workday may retain its own counsel whose reasonable fees will be paid by Supplier.

9. LIMITATION OF LIABILITY

9.1 Consequential Damages Waiver. SUBJECT TO SECTION 9.4, IN NO EVENT WILL WORKDAY BE LIABLE FOR ANY INDIRECT, SPECIAL, INCIDENTAL, PUNITIVE, RELIANCE OR CONSEQUENTIAL DAMAGES OF ANY KIND, INCLUDING LOST PROFITS, ARISING OUT OF OR IN CONNECTION WITH THE AGREEMENT, REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, EVEN IF INFORMED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

9.3 Failure of Essential Purpose. MULTIPLE CLAIMS WILL NOT EXPAND THIS LIMITATION. THIS SECTION 9 WILL BE GIVEN FULL EFFECT EVEN IF ANY REMEDY SPECIFIED IN THE AGREEMENT IS DEEMED TO HAVE FAILED OF ITS ESSENTIAL PURPOSE. WORKDAY, AND NOT ANY OTHER WORKDAY ENTITY, WILL BE SOLELY RESPONSIBLE FOR ITS OBLIGATIONS UNDER A PURCHASE ORDER, INCLUDING, BUT NOT LIMITED TO, PAYMENT OBLIGATIONS.

Supplier may only use such Workday Materials to fulfill a Purchase Order. All Workday Materials must be kept separate from other materials or tools and identified as the property of Workday. Supplier assumes all liability for loss or damage to any Workday Materials, except for normal wear and tear, and agrees to supply detailed statements of inventory promptly upon request. Subject to the foregoing, Workday owns all right, title and interest in and to the Workday Materials together with the Intellectual Property Rights embodied in and related to such Workday Materials.
